How to Sign-up for FASTtech Classes

Step One: Apply for Admission

- Before you register for a class, you must be admitted to Foothill College. There is no fee to apply. ***If you were admitted the previous quarter, skip this step.***
- Go to **www.foothill.edu** and click *Apply & Register* in the top navigation menu.
- Find "Registration steps for new and former students," and click *Application for Admission*.
- Click *Enter Registration System*.
- Click *Foothill Application for Admission*. Follow the prompts to complete your application. ***Make a note of your Student ID Number and PIN.***

Step Two: Register for a FASTtech Class

- Register online at **www.foothill.edu/cfi/linc**
- Select from the courses in the pull-down menu. **Note:** Use the LINC course number to identify your selection. The course titles online may not match the title in the printed schedule.
- Complete all the fields in the form.
- Click *Submit your registration form*.

Registration Notes:

Register at:

<http://www.foothill.edu/cfi/linc/preregister.php>

Check your account and pay online. Your advance registration is important to keep the class open. To confirm a class will meet as scheduled, call the KCI at **(650) 949-7680**.

The Adobe Youth Voices Teacher Training Center

Adobe is sponsoring the KCI & RAFT to train educators to help youth find their voice and express their potential. The AYV classes are designed for middle and high school educators to use Adobe software and learn the Youth Voices strategy, *Create with Purpose*.

These classes are free to all educators. Space is limited. Foothill students and community members are welcome to enroll and will be billed standard fees..

The Adobe Summer Institute: Storytelling with Multimedia

This class meets 5 days in class (face to face) with online support.

- Create stories with Photoshop and inexpensive video editing software
- Learn great web 2 tools, and/or Premiere Elements.
- Join an online community to receive helpful resources for managing student projects. The online community will continue to be available to participants after the completion of the class.

A great opportunity to explore the use of web 2 tools and collaboration.
